THE MEAT INSPECTOR.—It is understood that Mr. W. D. Chickester, the recently appointed meat inspector for this city, does not intend to take office either a pleasant or profitable one. So far, it is said, he has been unable to collect a dollar, the meat dealers either utterly ignoring him or refusing to pay him a cent in face of Judge Hughes's decision of the unconstitutionality of the inspection law. A meat dealer in talking of the matter this morning said that Mr. C. yesterday stated "that though he was a State officer he was not sustained, that he had nothing to show that he was the inspector, and a lost from the back of a book, and that becoming disgusted he had gotten in the car and had himself driven home."

Other signs to the petition requesting Judge Norton to appoint a meat inspector say they did so under a misapprehension—they thought they were signing the petition for the appointment of one of the applicants in case an inspector was appointed.

Some of the meat dealers have engaged Messrs. F. L. Smith and L. Marbury to test the constitutionality of the law in the State courts, and it is supposed Mr. Chickester will be enjoined from further inspecting meat.

POLICE REPORT.—Last night was cool and cloudy till about 2 o'clock when it became clear. There were neither prisoners nor lodgers at the station house.

The only case before the Mayor for trial this morning was that of the agent of a Washington brewery charged with doing business without a license. He was discharged as he proved that he only delivered beer to persons in this city who had made the purchase in Washington.

A horse was found roaming at large in the streets last night and was taken up by officers Simpson and Young. This morning the owners, Mrs. Denty, of Fairfax, went to the station house and without asking any questions untied the horse and took possession of her property. Later she was required to prove that the horse belonged to her.

The owner of a large dog on St. Asaph street, which had bitten a passer by, had a warrant sworn out against him and the case was set for trial this evening. The aforesaid passer by lost the entire seat of his trousers, though the owner of the dog, who was near at hand at the time, said the dog had no teeth.

Miss Annie Kinzer is quite sick at her home on upper Prince street.

Mr. S. F. Beach, who has been confined to his home by inflammation of the eyes, is improving, and was able to be out for a short time yesterday.

The Misses Johnson, of Newport News, Va., are visiting Mrs. John A. Scrivener, of 1307 Prince street.

The Misses Minnigerode, at their home on Prince street, last night gave a pleasant party to a few of their friends.

RED MEN'S FAIR.—The Red Men's fair was well attended last night, several of the lodges of that order from Washington being present. The following is the result of the vote for the different articles to be disposed of:

CORPORATION COURT.—Judge J. K. M. Norton presiding. J. F. B. Deiderich, a native of Germany, was granted his final naturalization papers.

Harlow Bros. vs. J. W. Baggett; decree for sale of lot.

REAL ESTATE FOR SALE.—The advertisement of Messrs. O'Neal & Lunt, elsewhere in the GAZETTE, presents a list of valuable real estate in the city and county which that firm offers for sale on moderate terms and on easy conditions. Among the property offered will be found desirable houses and lots in every section of the city, and the property in the county and suburbs of the city is eligibly situated and desirable. The firm, at their office, corner King and Fairfax streets, will be pleased to exhibit maps and give all necessary information to parties desiring to purchase.

THE EXCISE BOARD at their meeting yesterday evening approved the following applications for liquor licenses: R. W. Avery, W. J. Brodbeck, Joseph Broders & Co., and T. D. Downey. All the applications so far made have been approved.

BIRTH DAY PARTY.—A large assemblage of happy children gathered at the handsome residence of Mr. and Mrs. Geo. B. Carlin, on south St. Asaph street last night, the occasion being the 13th birthday of master George Smoot Carlin. Those present were arrayed in white or spring suits, and doubtless never looked prettier, while their merry glee during their games and dancing made the few adults present feel young again. About 10 o'clock a collation was served in the dining-room. It was a sumptuous repast, prettily arranged, and the children were delighted beyond measure. At a later hour the young people dispersed voting it a "grand" time and wishing Master George five times as many birthdays more, and all as happy as the 13th.

THE DRUM CORPS.—The residents on Royal street, between Prince and Duke and in that vicinity, breathe freer, while those on King street, between Royal and Pitt, are sighing. The Drum Corps have removed their headquarters from the army back to the hall over the Board of Trade rooms. The severance of the connection of the corps with the Alexandria Light Infantry, however, it is understood, cannot be accomplished so easily as the members of the corps think. It appears that the drum corps recently enlisted with the Infantry and are now subject to the State military laws, and the matter will doubtless be brought up at the company court martial to be held next week.

RECEPTION TO BISHOP VAN DE VYVER.—The reception of the Rt. Rev. Bishop Van de Vyver, by the Catholic societies of the city, will take place at the Lyceum Hall to-morrow evening at 8 o'clock. After an address of welcome, to which Bishop Van de Vyver will reply, the members of the congregation of St. Mary's Church will be introduced to the Bishop. The presentation will be made by Mr. R. L. Carne, and, owing to the limited seating capacity of the hall, the committee in charge have invited members only of St. Mary's Church to be present.

THE FERRY QUESTION.—A number of citizens interested in the re-establishment of the Maryland ferry met at the Board of Trade rooms last night to take steps to accomplish that object. The matter was informally discussed, and all present expressed themselves as being heartily in favor of the re-establishment of the ferry, believing that much trade could be secured to the city from the opposite side of the river. No definite action was taken, however, and the matter was postponed till the next meeting of the Board of Trade.

A MISCELLANEOUS CONCERT will be given in the new Whittle Hall on Seminary Hill on Wednesday evening at 7:45 o'clock. The Fairfax Choral Society and the Seminary Glee Club, which have been rehearsing for the past few months under the direction of Mr. J. Morris, will make their first appearance in public at this concert. The proceeds will be devoted to a fund for providing a new organ for the Seminary Chapel. Tickets 25 cents each on sale at Stabler's drug store.

FISH.—Since yesterday about 100,000 herring and 200 shad have arrived at Fishtown. Herring sold at \$3.50; \$4.50 per thousand and \$10.50 per hundred.
